

Ruhkala PTC Board Meeting
November 12, 2019

Members in Attendance- Kristal, Danielle, Julie, Mrs. K, Mrs. Brown, Emily

Board Members Present- Rosalyn, Shena, Erin, Nick

President's Welcome- Meeting is called to order at 2:36. Rosalyn welcomes everyone and we apologize for not being able to have live video available this meeting.

Principal's Report- Mrs. K wanted to thank everyone for the great turnout for Conference week. We are excited about our first grade level performance of the year, with Second Grades performance coming up. We are busy gearing up for the holiday season, and second trimester. Husky Shuffle will begin as well, and will be focusing on the Kindergarten.

Treasurer's Report- Nick delivered the summary for the last two months. Monday Madness is projecting over for the year's projection, which is great news. Everything is going well and so far we are looking to stay on budget for the year.

Husky Hut- Alaina let us know that everything appears to be going well. Kids are enjoying it and they will continue to have them two days a month. It was brought up by Kristal that maybe the point changes might be too high, and that the kids are not showing up. She asked that maybe we talk with the staff about this, and the reward system.

Spirit Night- Blaze went well. We don't have a check yet, but their corporate office said one is coming in the next few weeks. Next one is Chipotle on December 17. It was suggested we do a teacher night fundraiser at one of the local restaurants, where the teachers work and serve in order to raise money. We will look into all suggestions.

Fall Carnival- Thank you to all who helped, especially Emily Duncan. Next year we will make improvements such as a prepaid table with tickets and bracelets already put together. Bracelet sales went well, as did pizza. We are planning on giving the teachers \$200 for the year for class spending.

Cookie Sales- Thank you for all who participated. \$9,555 were the final numbers and we get 40% of the sales, so \$3,822. Top winners were Mrs. Yamasaki's class at \$996, and Mr. Rumbaugh's class at \$1,603.00 Riley was the top winner \$638.

Monday Madness- Next Monday November 18. Thank you Julie and Stephanie for all of your help. We are looking for more high school volunteers to help out.

Tile Party- Tile party and bake sale this Thursday, from 5:30-7:30 First tile is \$10 any additional tiles are \$5. We will have baked goods for sale for \$1.

Drop and Shop- December 12th from 5-8:00pm, \$20 for the first child and \$15 for additional. We are planning on craft stations, pizza dinner, and a holiday movie.

Technology Update- Last month we used Facebook Live and we able to get 174 views of the meeting, a big jump from the couple of people who viewed Septembers. Mike was not able to be here today, but we hope to be able to put up all future meetings On Demand. There is a Facebook ban on campus which doesn't allow us to livestream the meetings. The feedback we received was very positive about using Facebook, as opposed to other streaming apps and sites, and the On-Demand feature.

Closing remarks- Upcoming events, tile party, cookie dough pick up, drop and shop. We also are planning on doing Worlds Finest Chocolate fundraiser, 50% profits go back to the teachers.
